

Year 4 Curriculum leaflet Autumn 1

Sound

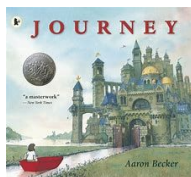

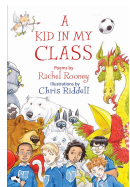

Map It!

Reading & Writing

In English we will be:

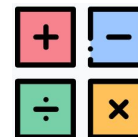

- reading SFA books at our level to develop our reading fluency
- developing our love of reading in reading for pleasure sessions
- including interesting vocabulary in our sentences to inform and excite our readers

Maths

We will be learning about:

- the value of each digit in numbers beyond 1000
- ordering and comparing four digit numbers beyond 1000
- rounding numbers to the nearest 10, 100 and 1000
- adding and subtracting using formal written methods

Science

We will be:

- identifying how sounds are made
- recognising that vibrations from sounds travel through a medium to the ear
- finding patterns between the pitch of a sound and features of the object that produced it

Geography

We will be learning about:

- how lines of longitude and latitude can be used to describe locations
- the topography of North London
- comparing and contrasting two local areas with different topography

PE

We have a PE lesson every **Wednesday** and **Friday**, so please ensure the children wear a PE kit on those days.

The focus of our PE lessons will be handball and tag rugby.

PSHE

This term our focus will be on **'Being Me'**.

Pupils will be setting their own goals and using a growth mindset. They will also begin to understand about managing their self esteem and self confidence and developing a resilient attitude.

Home Learning

You can support me by:

- helping me with spellings and maths homework
- reading books about sound with me
- helping me to read and understand maps (digital and physical)
- reading with me regularly
