

Year 2 Curriculum leaflet Autumn 1

Living Things & their habitats

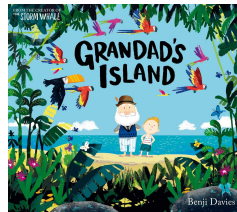

Map It!

Reading & Writing

In English we will:

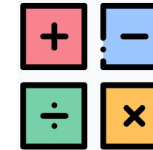

- read RWI books at our level to develop our reading fluency
- use expanded noun phrases
- use sentences with different forms

Maths

We will be learning about:

- place value
- numbers within 100
- number bonds to 10 and 20
- adding and subtracting one and two digit numbers
- addition and subtraction word problems
- our 2, 5 and 10 times tables

Science

We will be learning to:

- compare the differences between things that are living, dead and have never been alive
- identify that most living things live in habitats to which they are suited
- identify and name a variety of plants

Geography

We will be learning to:

- name and locate the world's seven continents
- to name and locate the world's five oceans
- identify geographical features of different areas around the UK (e.g. England and Scotland)

PE

We have a PE lesson every **Thursday** and **Friday**, so please ensure the children wear a PE kit on those days.

The focus of the sessions will be 'Send and Return'.

PSHE

This term our focus will be on **'Being Me'**.

Pupils will develop a sense of what makes them special, how to stay safe and how they play an active part in the school community. They will make goals for the year ahead.

Home Learning

You can support me by:

- helping me with my spellings and maths homework
- helping me to read and understand maps
- reading to me often and letting me share stories with you
