

Year 3 Curriculum leaflet Autumn 1

Light

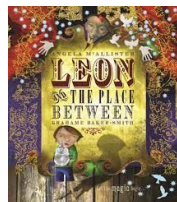

Map It!

Reading & Writing

In English we will be:

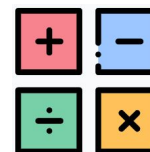

- reading SFA/RWI books at our level to develop our reading fluency
- discussing and recording ideas
- using joined handwriting throughout independent writing, increasing our fluency over time

Maths

We will be learning about:

- place value and the value of each digit in a number
- comparing and ordering numbers up to 1000
- number bonds to 10 and 20
- using formal written methods to add and subtract

Science

We will be learning to:

- recognise that we need light in order to see things and that dark is the absence of light
- notice that light is reflected from surfaces
- recognise that light from the sun can be dangerous and that there are ways to protect our eyes

Geography

We will be learning to:

- identify what latitude can tell us about the climate
- identify which countries are located in Europe
- recognise simple ordnance survey symbols

PE

We have a PE lesson every **Tuesday** and **Friday**, so please ensure the children wear a PE kit on those days.

The focus of our PE lessons will be handball and tag rugby.

PSHE

This term our focus will be on **'Being Me'**.

Pupils will develop a sense of how to connect with others and how they can have a positive impact on their community.

They will also begin to understand how their actions affect themselves and others.

Home Learning

You can support me by:

- helping me to practise my cursive handwriting.
- helping me practise my 3, 4, 6 and 7 times tables.
- reading a wide variety of books, including fiction and non-fiction.
