

English

In English we will:

- read SFA books at our level to develop our reading fluency
- read *Journey* and *A Kid in My Class*
- develop our love of reading in reading for pleasure sessions
- include interesting vocabulary in our sentences to inform and excite our readers

Maths

We will be learning about:

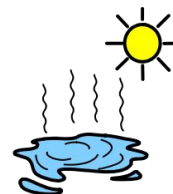

- the value of each digit in numbers beyond 1000
- ordering and comparing four digit numbers beyond 1000
- rounding numbers to the nearest 10, 100 and 1000
- adding and subtracting using formal written methods

Science

We will be learning about:

- solids, liquids and gases and how to classify them
- how states of matter change
- evaporation and condensation

Geography

We will be exploring:

- how lines of longitude and latitude can be used to describe locations
- the topography of North London
- two local areas with different topography

Curriculum Information

new wave
federation 

Year 4 - Autumn 1

Computing

We will be learning about our schools network, focusing on:

- different websites and how we connect to the internet
- interconnected computing devices that can exchange data and share resources with each other

PE

We have a PE lesson every **Wednesday** and **Friday**. Please ensure your child wears their PE kit on those days.

The focus of the sessions will be handball and football.

PSHE

Our PSHE focus is Being Me and we will be learning about:

- identifying the challenges and aspirations for the year ahead.
- who is in our school community, the roles they play and how we fit in.
- rights and responsibilities at school
- my actions affecting me and others.

Art and Design

We will be exploring storytelling through drawing, looking closely at:

- the purpose behind the art that we create
- how to create a piece of art based on poetry
- how to sequence our visual narrative
