

# Nursery - Summer 2

We are adapting our curriculum to meet the needs of the new Early Years framework that is being introduced this September. This half term, we will be covering 3 exciting themes: exploring various animals that live on farms; discovering the different things that happen in summer; and a celebration of our learning from this year!

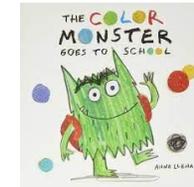

## Farm Animals

## Summer

## Starting Big School

## Key Words

**domestic**

What domestic animals can you name?

**summer**

What is the weather like in summer?

**celebrate**

What has been your favourite moment to celebrate this year?

**farmer**

How do farmers look after their animals?

**seaside**

What would you do at the seaside?

**special**

What is special about you?

## Key Experiences

Walk to local park to see the pond.  
Visit farm animals.

Making a rock pool.  
Day at the beach in school.

Learning celebration and graduation songs

## Communication & Language

We will read a variety of fiction and nonfiction books based on our themes and focus on learning new vocabulary related to the texts.

Model how to use the new words they have learnt in new situations.

## Maths

We will be focusing on reciting numbers and counting a set of objects reliably.

Please talk to your child about things in their environment that they can count and encourage them to touch each object as they count.

## Communication & Language

We will be focusing on asking and answering 'why' questions using elaborate sentences.

Please encourage your child to always speak in sentences and explain their reasoning.

## Physical Development

We will be focusing on learning to write our name independently, holding our pencil correctly.

Please show your child the correct formation of the letters in their name and how they hold their pencil.

# Nursery Summer 2

## Personal, Social & Emotional Development

We will be focusing on finding solutions to problems by talking about how it makes us feel and what could help us make it better.

Encourage your child to name their emotions and think about solutions.

## Understanding the World

We will be focusing on gaining a better understanding of the summer season by observing the changes in nature and having fun in the sun.

Look at holiday photos together and talk about the things you can enjoy in summer.

## Literacy

We will be focusing on reading longer stories and talking about what happens in them. We will be learning sounds of the alphabet in phonics

Please talk to your child about the stories you read together and ask them to retell the story in their own words.

## Expressive Art & Design

As a group, we will celebrate our achievements this year and practise learning new songs for our graduation.

Sing along with your child and encourage them to 'teach' you the new songs.
