

# HOME LEARNING MAKER MAT

Can you find some historical places in your local area? Why not photograph these and create a fact file about them?

Can you design and make your own musical instrument?

Can you find a microhabitat and take photos or draw a picture of it. Can you label what you can see?

Can you write about or draw an event in your past that is important to you. Can you explain why it is important?

Year 2

Living things & Their Habitats  
Everyday Materials  
Hackney's History  
Autumn 2

Can you interview an older family member to find out how their experience of school compares to yours?

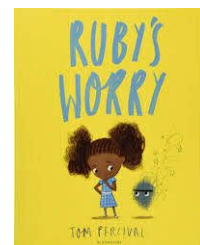

Can you design your own predator? What does it eat? How does it catch its prey? What is its habitat like?

Can you make a model of a house out of different materials? Which materials are the best to make it strong and sturdy?

Can you create a poster of top tips for Ruby or someone who is worried?

Please complete at least 3 activities and return your projects by Friday 10th December.
