

# HOME LEARNING MAKER MAT

Share your knowledge of Julius Caesar's attempted invasion of Britain and Boudica's resistance. You could create a factual report or presentation or imagine you are one of them and create a blog or vlog in role.

Gather and present data about yourself, your family, your friends or something you are interested in. What did you find out?

Mode of transport	Number of students
Bus	👤👤👤👤👤👤
Car	👤👤👤👤
Walking	👤👤👤👤👤👤
Bicycle	👤👤

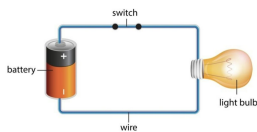

Key: 👤 Represents 4 children

Fruit	Tally	Total
Apple		12
Banana		6
Orange		3
Grapes		9
Pear		2

Who were the Romans? Where did they come from? Create a map of the Roman Empire. How did it change over time?

Create a poster or presentation to explain how an electrical circuit works or explain the function of different components in an electrical circuit and where you might find circuits around your home.

## Year 4

## Autumn 2

Create a model of an Ancient Roman building, invention or sculpture. Create a museum label to explain what you have made.

Research the different religious celebrations that occur across the world during the months of November and December. Share your knowledge with your class.

Share your knowledge of electricity. You could create a fact file, a poem, a report or a game to test your classmate's knowledge.

Practise the times tables you find the trickiest. Try creating a song, a story, a picture prompt or a game to help you learn all the facts you need to know.

08	16	24	32	40
48	56	64	72	80

Please complete at least 3 activities and return your projects by Friday 10th December.
