

HOME LEARNING MAKER MAT

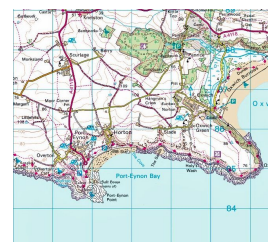

My Gratitude Diary
Each day over the week, write something for which you are thankful. At the end of the week, look back at your gratitude diary, how does it make you feel?

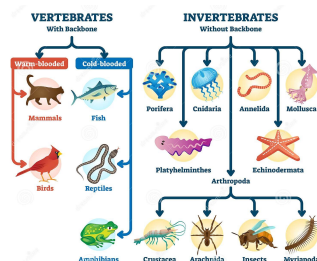

In preparation for our music this term, listen to the music of a famous jazz musician.

Design a map of your local area. Include a key with symbols to represent landmarks and places.

How many different animals can you identify in your local environment?

Can you classify the animals?

Year 6

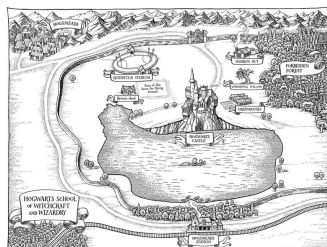

Autumn 1

Create a book recommendation for our book corner.

Draw a map of the setting from your current reading book. Label the main locations.

Design your own botanical artwork.

Create a 3D model of different animal skulls, comparing their shapes and structures.

Please complete at least 3 activities and return your projects by Friday 15th October.
