

HOME LEARNING MAKER MAT

Create your very own poster to help others use technology safely when working online.

Look up a different country from the one you live in. How do you think a child who lives there is similar/ different to you?

Go on a hunt and search for all the light sources in your house. Take some pictures or make a list.

Write or film a workout plan. Can you make sure you work out all the different muscles?

Year 3

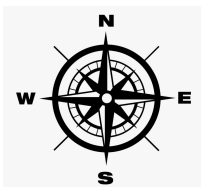

Autumn 1

Write an acrostic poem of what your dreams and goals are.

Draw a map of your journey to school. Can you use the compass points to navigate?

Create a paper chain of friends and write down all the things that make each person special.

Draw a picture of a cap and write down all the positive thoughts you can think of on it.

Please complete at least 3 activities and return your projects by Friday 15th October.
