

HOME LEARNING MAKER MAT

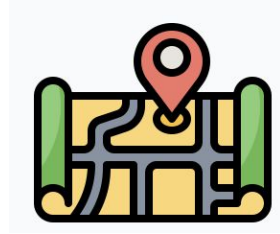

Write a book recommendation about a book you have read to be displayed in our class library.

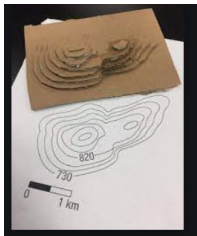

Design a map of your local area. Include a key with symbols to represent landmarks and places.

Use your map and directional language to describe a journey you take regularly as accurately as possible.

Create a 3D model of a mountain and valley. Draw a 2D representation of your model using contours.

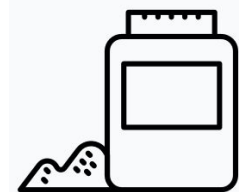

Year 5

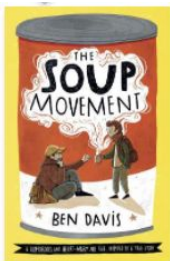

Autumn 1

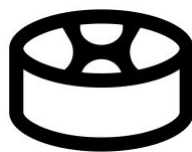

Carry out your own dissolving investigation using powders and liquids from your kitchen.

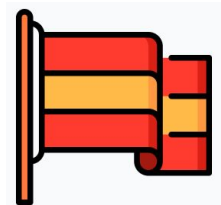

Be kind to someone. Write your own short story about your kindness.

Create your own steel pan using a biscuit tin. Compose a calypso rhyme or musical piece.

Use your knowledge of Spanish language and culture to write a short poem.

Please complete at least 3 activities and return your projects by 15th October 2021
