

HOME LEARNING MAKER MAT

Make your own [kaleidoscope](#).

Bake a traditional German dish, inspired by our book, Clockwork.

Design your own marionette puppet.

Research an animal that produces light, and create a presentation about it.

Year 6

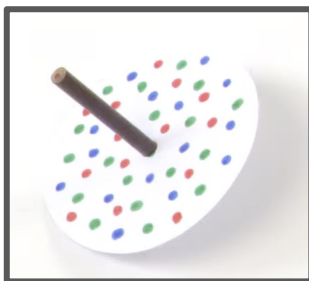

Create and label your own model eye!

Autumn 2

Make your own [colour wheel](#).

Create your own shadow puppet theatre.

Create a replica of a Benin bronze. You could sketch this or make a model.

Please complete at least 3 activities and return your projects by Friday 10th December.
