

HOME LEARNING MAKER MAT

Physical Development

Use the special playdough we made at school to model a tree throughout the seasons.

Understanding the World

Build your very own animal nest using materials such as sticks, leaves or moss.

Communication and Language

Go for walk outside and talk about the changes in nature in winter. How does it feel, what can you see or hear?

Expressive Arts & Design

Paint your favourite woodlands animal.

Reception

Spring 1 2022

Winter

Contrasting Countries

Expressive Arts & Design

Draw a picture of your favourite sea creature. Can you label it?

Mathematics

Help your parents/ carers to set up the dinner table. Use your number skills to add or take away plates and cutlery!

Literacy

Create a 'Recycle' poster to inspire your family and neighbours.

Physical Development

Have a go at learning a new skill, such as climbing trees or skipping!

Please complete at least 3 activities and return your projects by Monday 7th February.
