

HOME LEARNING MAKER MAT

MATHS

Create your own clock with hands that we can move.

PSHE

Create a 'Friendship' book. You could use pictures or real photographs.

DT

Create a model using 3 different materials. Test them out and see which material is the most suitable!

GEOGRAPHY

Find 5 physical and 5 human features in your local area.

Year 2

Home and Away
Materials
Spring 1

WRITING

Create your own postcard! It could be from a holiday you have been on or you could make one about a day out in London.

WRITING

Write a diary entry about your favourite day in the Christmas holidays!

MATHS

Create maths stories for division, multiplication, addition and/or subtraction that your teachers and friends can answer...

GEOGRAPHY

Create a map of your local area.

Please complete at least 3 activities and return your projects by 7th February.
