

# HOME LEARNING MAKER MAT

Can you create a factfile about one or more of the largest mountains in:

- Wales
- England
- Scotland
- Northern Island

Create your own Joe Wicks inspired workout. Write the steps or record it on your iPad for the class to have a go at!

Make an erupting Volcano model. Record/take photographs to share with the class.

Research and find out about earthquakes. Present your information as a presentation on your iPad, information leaflet or poster.

Year 4

Spring 1

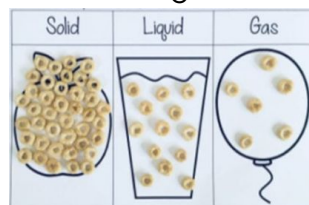

Take a photograph of yourself reading in your favourite place. Bring it into school to be displayed in the classroom!

Make a Personal Goals Fortune Teller. Include dreams and goals for your future self.

Think of things in your home which can change from one state to another. Eg. water can change from a liquid to a solid when it freezes. Make a poster to show these changes!

Draw and label a diagram of a volcano. Include facts and information about how they form. You may wish to draw and annotate on paper or using Sketches School on your iPad.
