

# HOME LEARNING MAKER MAT

## Reading

We are currently reading Holes by Louis Sachar. Read another of his books and write a review.

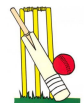

## Computing

Develop your coding skills. Design, write and debug your own program to share with your class.

## PE

Write instructions with diagrams, create an instructional video or share a presentation on how to be a cricket master!

## PSHE

Share your dreams and goals for the future. Who are your role-models? How have they inspired your goals?

## Year 6

## Spring 2

## Science

Create a model or an edible item that represents fossilisation.

## History

Research what life was like for different children in Victorian Britain. Write a diary or cartoon in role.

## History

Create a model or diagram of a Victorian artefact with a 'museum' label to explain its purpose.

## Science

Create a stop motion animation linked to our topic, 'Evolution and Inheritance.'

**Please complete at least 3 activities by the last week of term.  
We look forward to seeing what you have created!**
