

HOME LEARNING MAKER MAT

Design your own Anglo Saxon inspired house. You could use lego, cardboard or any other materials that you find at home!

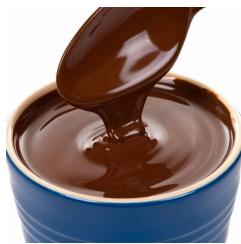

Create your own visual clock to help you learn to tell the time. Ask your friends and family to test you!

Write a book review for a book you have recently read. Would you recommend it to a friend?

Carry out your own science investigation into freezing or melting. Choose your variables, make observations and record your results!

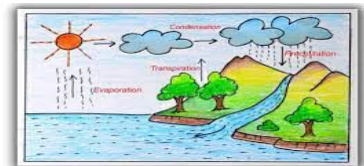

Year 4

Spring 2

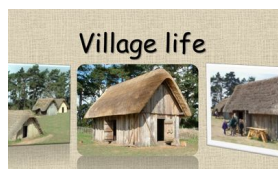

Create an animation to show the stages of the water cycle. Use Keynote to explain each step clearly using key scientific vocabulary.

Write a diary entry describing what you would like to be when you grow up. Explain how you will achieve your dreams.

WHEN I
GROW UP
I WANT
TO BE...

Research and create a presentation into the daily life of an Anglo Saxon.

Draw/paint/design your own Anglo Saxon inspired shield.

Please complete at least 3 activities by the end of the half term.
