Dear Grazebrook families

### **End of Autumn 1**

It has been such an incredible half term here at Grazebrook and I would like to thank you all for your continued support and engagement this term. It has been an absolute pleasure to see so many of you at our parent workshops, at the school gate, in the playground at the end of the day and at PSA events.

Our website has now been updated with all the key dates for Autumn 2 and we will continue to add new events as they are organised. We have also added the links to the Nursery, Reception and KS1 home learning portals in the classes section. No home learning has been set for over the half term, but as always, we would encourage all children to keep reading over the holiday and share with us and the other children in their class what they have read on their return to school.

We are looking forward to seeing all children back at school on **Monday 1st November**. Children should be in their lines and ready for learning **by 8.55am**.

If you haven't already done so, over the half term, please ensure all items of school uniform and water bottles are clearly marked with your child's name. All named items of lost property have now been returned.

Echoing the words of Ms Reid and Mr Howard, if your child has any symptoms of COVID-19 over half term, please ensure you take them for a PCR test and receive a negative result before returning them to school. This is particularly important if your child has been in close contact with a confirmed case.

Wishing you all a restful half term and looking forward to seeing you all again after the break.

Kind regards

Katie Beecroft  
Headteacher
