Friday 9th September 2022

Dear Reception Families,

Well done on getting to the end of a momentous week in the lives of your little ones, but also for you! We know there have been tears (and not just from the children!) and we wanted to reassure you that these are completely normal. Some days the children will be tearful and just want to stay with you and other days, they will skip smiling into school! Our job is to make sure that every day is like the latter but already we have been wowed by your children's maturity, bravery, cheekiness and spark!

Drop-off & Pick-up Arrangements Next Week

From next week, school will start from 8.55am every day. Please can you drop your child off at the green gate, where the teachers will be waiting. Your child will then be guided down the steps and into their class. The gate will be open from 8.50am. We ask that you are mindful of keeping the entrance clear for the children to get through.

Home Learning

Each week we upload photos and information about what we've been learning onto our Reception Home Learning Portal. This can be accessed using this link (sites.google.com/newwavefederation.co.uk/gb-reception-2022-23/) and goes live every Friday. Please do set aside 5-10 minutes to look through it, ideally with your child, as this is where we post all notices you need to know about and give you lots of suggestions for things to do and talk about with your child.

Meet the Teacher - Wednesday 14th September

You've hopefully all met your child's teacher in the playground, but next week you can come into the classroom and meet with them properly! The event takes place in your child's class from 3.45pm.

We are very excited about the year ahead and looking forward to involving you as much as possible in your child's learning. Communication is key - if you are unsure about anything, or think we can do something better, please do let us know - we promise we won't be getting it wrong on purpose! Your first port of call is always your child's class teacher.

Have a lovely weekend,

Kind Regards

Katie Beecroft
Head Teacher
