Dear Families,

**End of Term Break**

Dear Families,

As we approach the end of this jam-packed term, I wanted to write to you to thank you for all your ongoing support. Since September the staff have worked tirelessly to ensure that our pupils get the best possible education but also as normal a school experience as possible after the huge disruptions of last year.

Across the Federation we have visited museums, welcomed authors and artists, had swimming lessons, taken part in sports competitions and attended Hackney's wonderful pantomime. The children have not only made amazing progress with their learning, but also continued to form friendships and hopefully added some lovely memories to their memory banks.

We couldn't have done any of this without you. From reading with your children to helping them with their home learning projects, from practising spellings to donating to food banks, you have done an incredible job of helping us make this term such a success.

We were really disappointed not to have been able to invite you into school in these final weeks for our normal Christmas activities. Thank you for being so understanding about the quickly changing situation with Covid. As always, our priority is to keep our staff, pupils and school community safe but we understand the frustrations and anxiety that changes to our usual approach can bring.

The next few weeks and months feel once again uncertain, but I want to reassure you that we will continue to work with you to ensure that our children get the amazing education they deserve. It only leaves me to wish you a lovely break. We look forward to welcoming all our pupils back to school on **Wednesday 5th January**. Please remember to test your child before they return to school.

Yours sincerely,

Nicole Reid  
Executive Headteacher

Chris Howard  
Chair of Governors
