

Tuesday 4th January 2022

Dear Grazebrook Families,

RE: Happy New Year

We hope you have all had a lovely Christmas break and on behalf of everyone working in the school we wish you the very best for the year ahead. We are very excited about 2022 and are looking forward to seeing all of our children at school tomorrow, **Wednesday 5th January**. School starts at 8.55am; gates will be open from 8.45am.

Of course, where any child has unfortunately tested positive for coronavirus, they should remain at home until the end of the isolation period. We hope that anyone in this position does not feel too unwell. Please call the school office to let us know if your child is unwell or isolating. The most recent government guidance regarding positive cases and isolation periods can be located [here](#). Please also let the office staff know if your child is well enough to complete work and we will arrange to share this with you.

We advise all of our families to take regular tests so as to allow us to reduce the likelihood of any transmission of coronavirus in school. Tests can be ordered [here](#), or collected from:

- Stoke Newington Lateral Flow Test Site, Edwards Lane N16 0JJ
- Rowlands Pharmacy, Manor House, N4 2HE
- Stamford Hill Primary School testing Centre, Seven Sisters Road, N15 6HD
- (Alternatively, you can use [this link](#) to locate your closest available tests)

Shared with this letter is a poster highlighting the precautions we are taking here at school to keep our community safe during this very challenging period.

We strongly believe that our children deserve to be at school, learning in classrooms and playing with their friends. We will do everything we can to ensure that the children remain at school, learning face to face. We do however require your support as always with the measures we have put in place.

Many thanks,

Nicole Reid
