

Thursday 5th January 2023

Dear Year 2 Grazebrook Families,

**Re: Curriculum Information**

Happy New Year and welcome back to the Spring Term! We hope you all had a really restful holiday and had the opportunity to spend some quality time with family and friends.

Curriculum information for this half term has been uploaded to the classes section of our school website. Within the [curriculum section](#), you will find the:

Spring 1 Curriculum Leaflet

Spring 1 Geography Home Learning Project

Year 2 Spelling List

Year 2 Core Book List - reading for pleasure books are available to borrow from the school

We use Knowledge Organisers to support children to learn the key vocabulary and concepts for each unit of work and understand how new learning links to previous and future learning. For this half term, these are:

Science - Uses of Everyday Materials

Geography - Hackney and Alexandria

Design Technology - Freestanding Structures

Computing - Algorithms

RE - Jewish Beliefs

Children will continue to be taught Spanish each week by Mr Santiago, PE will be taught every Tuesday and Friday by Coaches Hassan or Ansell and the class teacher. Your child should come to school in their PE kit on these days. Design Technology will be taught each week by our art teacher, Ms Dunne. Mr Nice has returned to work and will resume teaching music lessons and leading a singing assembly each Monday.

A reminder that Year 2's Learning Celebration Assembly will take place at 10am on Friday 20th January in the main hall. We hope you will be able to join us.

Kind regards,

Katie Beecroft  
Headteacher
