Dear Year 4 Families,

Re: Curriculum Information

Welcome back to the second half of the Spring Term! We hope you all had a relaxing and enjoyable half term holiday and were able to spend some quality time with family and friends.

Curriculum information for this half term has been uploaded to the classes section of our school website. Links to the key documents can be found below:

[Spring 2 Timetable](#)

[Spring 2 Curriculum Leaflet](#)

[Spring 2 History Home Learning Project](#)

[Year 4 Spelling List](#)

[Year 4 Core Book List](#)

As the children are becoming more familiar with using their Knowledge Organisers to locate key vocabulary and new learning in each subject, we have introduced Knowledge Organiser booklets for each half term. The children have a paper copy of the booklet in class which they can use to recall key facts and record any additional information they learn in each subject.

The Spring 2 Knowledge Organiser booklet can be found [here](#). The areas of learning for Year 4 this half term are:

History - Anglo Saxons

Science - States of Matter & Identification and Classification

Design Technology - 2D Shape to 3D product

PSHE - Healthy Me

RE - The Journey of Life

Computing - Data Logging

PE - Rounders & Basketball

Spanish - Los Animales

The children will be continuing with their weekly violin lessons every Tuesday and singing together in their Monday assemblies.

We are thrilled to announce that Mrs Cabey has kindly agreed to remain as the 4G class teacher full time rather than return to her PPA role for the rest of the academic year. If you have any questions regarding your child's learning, please speak to her or Ms Borrowman or contact Mr Middleton, KS2 phase leader, via the school office.

Kind regards,

Katie Beecroft
Headteacher
