Dear Year 4 Families,

**Re: Curriculum Information**

It was a delight to see all of the children back at school last week, eager and excited to start their new topics, to return to learning and to see their friends after the break. We had a very positive three days and look forward to the next five weeks before the halfterm break.

We are writing to you to provide information and links to important documents that you will need in order to allow you to support your child this term and to ensure that you are well prepared for school each week.

Please be reminded that we expect our children to arrive at school each day by 8.55am, dressed in the Grazebrook uniform. Our website contains very useful information about our [school uniform](#).

As we have some new faces in Year 4, we wanted to make sure that you recognise everyone in the year group. As you are aware, Mr Devereux is the new class teacher for 4G whilst Miss Wynne continues as the class teacher for 4B. Miss Stevens continues her teacher training in Year 4.

Mr Devereux  
Class 4G

Miss Wynne  
Class 4B

Miss Stevens  
Class 4B

In Year 4, our **PE** days are **Monday** and **Thursday**. Your child must be dressed appropriately, in their school PE kit for all PE lessons including dance.

This term, our Year 4 children will be studying a geography unit called [Earthquakes and Volcanoes](#) and will be starting a new science unit, [Materials and States of Matter](#). Their Spanish unit is called [Mi Colegio](#). As always, further information about the Year 4 curriculum can be located [here](#).

Homework is posted on Google Classroom every Friday. Paper copies of maths tasks are available for children if preferred. We have also set new half-termly Maker Mat challenges. The Spring 1 Maker Mat can be found [here](#). In addition, spelling words for this term can be found [here](#). The children have a spelling test each Friday. We are sure that your child will share their score with you each Friday. Your child's classteacher is always available to give you this information should you ask them at the end of the school day.

In the meantime if you have any questions about curriculum and learning, please feel free to speak with myself or Mr Kilty at the start or end of the school day.

Many thanks,
