Dear Year 1 Families,

**Re: Curriculum Information**

Welcome back to the second half of the Spring Term! We hope you all had a relaxing and enjoyable half term holiday and were able to spend some quality time with family and friends.

Curriculum information for this half term has been uploaded to the classes section of our school website. Links to the key documents can be found below:

[Year 1 Core Book List](#)

As the children are becoming more familiar with using their Knowledge Organisers to locate key vocabulary and new learning in each subject, we have introduced Knowledge Organiser booklets for each half term. The children have a paper copy of the booklet in class which they can use to recall key facts and record any additional information they learn in each subject.

The Spring 2 Knowledge Organiser booklet can be found [here](#). The areas of learning for Year 1 are:

History - The Great Fire of London

Science - Plants

Design Technology - Sliders and Levers

PSHE - Healthy Me

RE - Christian Beliefs

Computing - Grouping Data

PE - Hit, Run, Catch!

In music, the children will be learning to play a simple tune and perform a round on the glockenspiel. In Spanish lessons, the focus will be on developing children's knowledge of numbers and colours.

If you have any questions regarding your child's learning, please speak to their class teacher or contact Ms McLaughlin or Ms Khan via the school office.

Kind regards,
