Dear Year 2 Families,

Re: Curriculum Information

It was a delight to see all of the children back at school last week, eager and excited to start their new topics, to return to learning and to see their friends after the break. We had a very positive three days and look forward to the next five weeks before the halfterm break.

We are writing to you to provide information and links to important documents that you will need in order to allow you to support your child this term and to ensure that you are well prepared for school each week.

Please be reminded that we expect our children to arrive at school by 8.55am each day, dressed in the Grazebrook uniform. Our website contains very useful information about our [school uniform](#).

As we have some new faces in Year 2, we wanted to make sure that you recognise everyone in the year group. Miss Akkoyonoglu will continue as the classteacher for 2G. Miss Dunham has joined the team to work alongside Ms McCready in 2B. Miss Dunham will be your main point of contact when Ms McCready has her Literacy Specialist days.

In Year 2, the **PE** days are **Tuesday** and **Friday**. Your child should attend school dressed appropriately, in the correct PE school uniform for all PE lessons.

This term, our Year 2 children will be studying a geography unit called [Home and Away](#) and will be continuing with their science unit, [Uses of Everyday Materials](#). As always, further information about the Year 2 curriculum can be located on the school [website](#).

The Homework Portal for Year 2 can be located [here](#). Children will change their RWI pack and/or Reading for Pleasure book each week. Paper copies of maths home learning are available if preferred. We have also set new Maker Mat challenges. The Spring 1 challenges can be found [here](#). In addition, spelling words for this term can be found [here](#). The children have a spelling test each Friday. We are sure that your child will share their score with you each Friday. Your child's classteacher is always available to give this information should you ask them at the end of the school day.

In the meantime if you have any questions about curriculum and learning, please feel free to speak with myself, Ms Ichim or Mr Kilty at the start or end of the school day.

Many thanks,
