Dear Year 1 Families

Re: Curriculum Information - Autumn 1

Thank you to those of you who attended the Year 1 Meet the Teacher session yesterday. The slides from the session have been uploaded to our website and a link has been shared with you separately.

Curriculum information for this half term has also been uploaded to the [Year 1 Classes section](#) of our school website. Links to the staff list, timetable, curriculum leaflet, homework projects, spelling list and core book list can be found here. The home learning google site is updated each Friday where you will find information about your child’s learning each week. Pupils in Year 1 to 6 have a Knowledge Organiser booklet for each half term which can also be found in the classes section of the website. These contain the key vocabulary and concepts that your child will learn in their wider curriculum subjects this half term. The areas of learning for Year 1 are:

- | | |
|--|-----------------------------------|
| Geography - Map It | Science - Everyday Materials |
| Art and Design - Drawing Spirals | PSHE - Families and Relationships |
| PE - Send and Return & Hit, Catch, Run | Computing - Technology Around Us |

In addition to this, all children will have a music lesson with Mr Stevens each week as well as a Spanish lesson with Ms Bujalance.

Key Year 1 Dates:

Family Events	Parent/Carer Information sessions
