Dear Year 6 Families,

**Re: Secondary School Applications**

We would like to remind you that the deadline for submitting secondary school applications is fast approaching. All online applications must be completed and submitted by **31st October**.

Please keep in mind that 97% of families who applied on time were offered one of their preferred schools, compared to only 40% of late applicants. Submitting your application by the deadline significantly increases your chances of securing a place at one of your preferred schools.

If you require any assistance with completing the application form, please do not hesitate to contact the school. We are more than happy to arrange a time for you to come in and meet with someone who can offer support in this process.

In addition, please remember to refer to the Hackney Secondary Schools booklet, which was recently provided to you. This booklet contains important information, including the dates and details of any open events being held by local secondary schools. Information related to Hackney secondary schools can be found [here](#) whilst information about Haringey schools can be found [here](#) and information about Islington schools can be found [here](#).

We understand this is an important time for your family and we are here to help ensure the application process goes as smoothly as possible.

Best regards,

**Katie Beecroft**
