Dear Year 5 Families

**Re: Curriculum Information - Autumn 2**

We hope you had a good half term and were able to spend some quality time with family and friends. It has been really lovely to see all the children back at school this week. They have been really engaged with their learning and showing a great deal of responsibility, focus and kindness.

I am writing to let you know that the curriculum information for this half term has been uploaded to the [Year 5 Classes section of our school website](#). Links to the staff list, timetable, knowledge organiser, curriculum leaflet, homework projects, spelling list and core book list can be found here.

This half term, our whole school humanities focus will switch from geography to history and from PSHE to RE.

The areas of learning for Year 5 are:

History - The Vikings

RE - Islam in Britain

PE - Netball and Hockey

Spanish - Mis Aficiones

Science - Properties and Changes of Materials/ Forces

Computing - Video Production

Design and Technology - Frame Structures

In addition to this, all children will continue with their weekly singing and composition lessons with Mr Stevens.
