Dear Year 2 Families,

**Re: Curriculum Information - Spring 1**

Happy New Year! We hope you had a fantastic festive holiday and were able to spend some quality time with family and friends.

I am writing to let you know that the curriculum information for this half term has been uploaded to [the Year 2 Classes section](#) of our school website. Links to the staff list, timetable, knowledge organiser, curriculum leaflet, homework projects, maths home learning, spelling list and core book list can be found here.

This half term, our whole school humanities focus will switch from history to geography. The children will complete a three week unit of PSHE, followed by a six week unit of RE.

The areas of learning for Year 2 are:

Geography - London and Alexandria

Science - Uses of Everyday Materials

PSHE - Health and Wellbeing

Computing - Robot Algorithms

RE - Jewish Beliefs

Design and Technology - Wheels and Axles

PE - Gymnastics and Fitness

In addition to this, all children will have a music lesson with Mr Stevens each week as well as a Spanish lesson with Ms Bujalance.
