Dear 5B Families,

Postponement of Intensive Swimming Sessions

We have just been informed by GLL, the organisers of our swimming sessions at Clissold Leisure Centre, that refurbishment works on the Training Pool are due to begin on Monday 13th October.

As part of these works:

- The Training Pool will be closed for approximately seven weeks, with a planned reopening date of 1st December 2025.
- The Training Pool changing rooms will remain closed until Spring 2026.

We are very disappointed by this news, particularly given the short notice and we sincerely apologise for any inconvenience or disappointment this may cause. We had no knowledge of these works until receiving an email yesterday evening.

We have been in contact with GLL today to confirm new swimming lesson dates for our 5B children which will now take place in the New Year. Currently, our provisional dates are in late February and early March, but we will confirm this with you once we have all the details.

Thank you for your continued support and understanding.

Warm regards,

Katie Beecroft
