Dear Nursery and Reception Families,

Re: Curriculum Information - Autumn 2

We hope you had a restful half term and were able to spend some quality time with family and friends. It has been really lovely to see all the children back at school this week and we are very much looking forward to another exciting half term of new learning and festive events.

The curriculum information for this half term has now been uploaded to the [Early Years section of our school website](#). In this section, you will find your child's timetable; the Autumn 2 Curriculum Leaflet, which outlines their key areas of learning this half term; the Autumn 2 Home Learning projects and the Core Book List.

A summary of the week's learning and resources to help with learning at home will continue to be posted on the Nursery and Reception home learning google sites via the link shared with you.
