Dear Grazebrook Families,

Re: End of Term Christmas Celebrations 2025

It was lovely to see the children so well settled and fully engaged in their learning last week as we moved into the second half of the Autumn Term.

To celebrate the end of the term in style, the children will be showcasing their talents in a highly anticipated series of musical and dramatic performances during our special **Christmas Celebration Week**. We are delighted to share the key dates for these showcases in the final week before the Christmas break to witness your children's hard work and celebrate their achievements. Please note that specific details regarding costumes, concert dress, or required parental support will be communicated shortly via class teachers.
