

Wednesday 19th November 2025

Dear Year 3 Families,

Dear Parents and Carers,

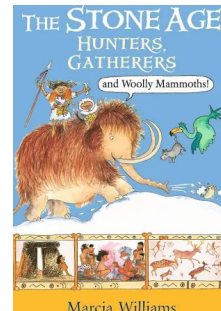

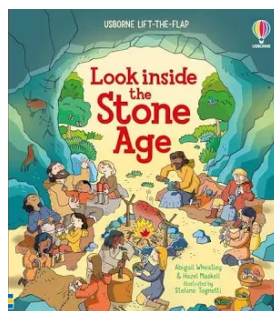

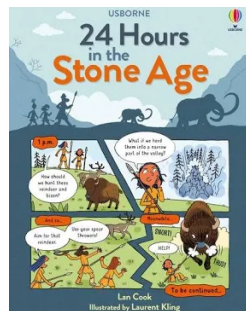

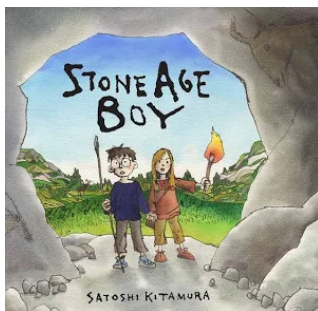

We are excited to welcome you to our Celebration Assembly on **Friday, 28th November 2025 at 10:00 am.**

As part of our learning this term, the children will be bringing the **Stone Age** to life for us through songs and stories. To help create an immersive experience, we are asking that the children **recreate simple Stone Age-style costumes using items from home.** There is no need to purchase anything new.

Costume ideas might include:

- Neutral-coloured clothing such as browns, greys, or blacks
- Old T-shirts cut (with adult help) into tunic shapes
- A belt made from string or fabric
- Scarves or pieces of fabric worn as capes
- Simple accessories such as cardboard “bone” necklaces or paper-wrapped “stone” tools

Please keep costumes safe, comfortable, and practical for the school day. The aim is creativity, not perfection! Here are some book illustrations that the children may find inspiring:

Thank you for your continued support. We look forward to celebrating the children's fantastic work with you.

Best Wishes,

The Year 3 Team
