Dear Grazebrook Families,

Grazebrook Science Fair: ‘Curiosity: What’s your question?’

As part of British Science Week, pupils throughout the school have been working on their own science projects based around this year’s theme - ‘Curiosity: What’s your question?’. To celebrate all of their hard work and dedication to science, we will be hosting our **Science Fair on Thursday 19th March 2026**.

Due to the capacity of the hall, we will be inviting children and families to attend class by class. The timings can be found below:

9.40am 1B	11.35pm 2G	1.40pm 5G	2.55pm 6B
10.05am 4G	11.50pm 3G	2.05pm 5B

The Science Fair will remain open after school during parent consultation meetings should you wish to browse the entries outside of your timeslot.

The Science Fair Projects need to be brought in during Monday 9th March to Monday 16th March and handed in to your child’s class teacher or Mrs. Cabey. If you have any questions, please speak to your child’s class teacher or a senior leader.

Looking forward to seeing you there and thank you for your support.
