

Thursday 11th June 2026

Dear Year 6 Parents and Carers,

As we fast approach the end of the summer term, we are filled with a mix of immense pride and a little bit of sadness. This year group has been absolutely fantastic, and we are determined to make their final few weeks at Grazebrook unforgettable.

To help you plan ahead, we wanted to share the details for two of the biggest events in the Year 6 calendar. We would love for you to join us in celebrating all of your children's hard work and achievements.

Here are the key dates for your diary:

The Final Year 6 Production

- **Date:** Tuesday 14th July
- **Time:** 2:00pm
- **Location:** Main School Hall

The children have already started working incredibly hard on their lines, songs, and dances. It promises to be a spectacular show!

Graduation and Leavers' Celebration

- **Date:** Wednesday 15th July
- **Time:** 10.00am
- **Location:** Main Hall

This will be our official opportunity to look back on their primary school journey, present their graduation certificates and leaver hoodies and wish them well as they take their next big steps. Grab your tissues—it's always an emotional one!

We know how busy the end of the year can get, so we wanted to get these dates to you as early as possible so you can arrange time off work or childcare to come and support the children in their final endeavours.

Thank you, as always, for your continued support, enthusiasm, and partnership throughout this year. Let's give the Class of 2026 the send-off they truly deserve!

Warmest regards,

Mr Williams & Ms Pratt
