#### **Year 4 Community Visits to St. Anne's Retirement Home**

Dear Year 4 Parents and Carers,

Over the next three weeks, our Year 4 children will have the wonderful opportunity to participate in a local community project. In small groups, the children will take turns visiting St. Anne's Retirement Home on Manor Road, which is located just around the corner from the school.

During these visits, the children will be spending time singing for the residents and sharing some joy with the elderly members of our local community.

The Year 4 choir experienced a similar visit a few weeks ago, and it was a resounding success. The children absolutely loved the experience, and the residents were incredibly happy to have them visit. We are thrilled to now extend this opportunity to all of our Year 4 pupils.

As St. Anne's is within walking distance and falls under our local school trips policy, **we do not require formal permission slips** for this activity. The visits will take place during the school day, and the children will be fully supervised by school staff at all times.

If you have any questions about these upcoming visits, please do not hesitate to speak to your child's class teacher.

Thank you for your continued support in helping our children engage with and give back to our local community.

Warm regards,

Joanna Ichim  
Federation Assistant Headteacher
