

Friday 26th June 2026

Dear Grazebrook Families,

**Re: Return to Usual School Hours**

I hope this letter finds you well and that you have managed to cope with the intense heat during both the days and evenings this week. The current forecast indicates that temperatures will return to more typical June levels next week. With this in mind, I am pleased to let you know that, from Monday 29th June, we will return to our normal school day. School hours will once again be 8.55am-3.30pm and all extended-hours provision will also resume as usual including breakfast club, after school clubs, wraparound care and Our Space.

Usual school attendance procedures will apply. As we return to our usual routines, we ask that all children come to school wearing their school uniform, including the correct school footwear. Note that, during the summer, our children do not need to wear their school jumpers or cardigans.

Any trips and visits that are scheduled for next week will go ahead as planned. We are also reviewing the events that had to be cancelled or postponed this week due to the extreme weather and, where possible, we have rescheduled these and have shared the updated information with you.

I would like to take this opportunity to thank you for your flexibility, understanding and support throughout this week. Your cooperation has been greatly appreciated and has helped us to ensure the safety and wellbeing of all our children and staff during the exceptionally hot weather.

Should there be any changes to our plans, we will communicate these with you as soon as possible.

If you have any questions or concerns, please do not hesitate to contact me. Thank you once again for your continued support. We look forward to welcoming everyone back on Monday 29th June for our usual morning routines.

Best wishes,

A handwritten signature in black ink that reads "KlBeecroft".
