Exhibition	EYFS and KSI					KS2					

We are hoping that the weather is kind to us so we can all enjoy the music and art exhibition outdoors. However, in the event of rain, we will need to move the event indoors. Please note that this will significantly reduce our hall capacity.

Important adjustments if the event is moved indoors:

- **Time Slots:** We kindly ask that you only attend during your child's specific time slot due to limited space.
- **Photography:** Please be aware that if we are forced to perform indoors, photo opportunities will unfortunately no longer be available.

Thank you for your understanding and cooperation. We are looking forward to celebrating together!

Warmest wishes,

Joanna Ichim
