

Baseline Assessments Info Session

What is RBA?

- This is a statutory, brief online assessment which all Reception children will take part in before the October half term in a low-key, one-to-one interaction with your child's class teacher or teaching assistant.
- The tasks are interactive and age-appropriate, using practical resources or simple tasks where children respond by pointing, speaking or interacting with materials.
- Each online assessment takes no more than 20 minutes. It is not a test with a "pass" or "fail" and children generally enjoy the dedicated one-to-one time with their teacher.
- The data collected is used by the government to measure progress across the country from Reception to the end of Year 6.
