

Friday 18th September 2026

Dear Families,

**Re: Year 1 Phonics Information Session**

In Year 1, the children continue to have phonics lessons every day to develop their reading skills further.

We would like to invite you to find out more about how we teach phonics and how you can help your children at home. We will also share information about the *Phonics Screening Check*, which the children will be completing in June 2027.

Please join us in **1G** on **Monday 28th September** at **3.45 pm**.

We look forward to seeing you all then.

Best wishes,

Conor McGivern  
Early Reading Lead
