

Tuesday 13th October 2026

Dear Grazebrook Families,

As part of the PSA fundraising activities this term, we are delighted to be running a design your own Christmas card project.

This week, children will receive a template from school to create their own festive artwork. The designs can then be transformed into personalised Christmas cards, wrapping paper, gift tags and a range of other keepsakes.

To place an order, take a photo of your child's completed artwork and upload it onto the Art Projects for Schools website at <https://www.apfs.org.uk> using the QR code provided. Orders must be submitted by 8 November.

All orders will be delivered back to the school by 22 November and distributed to families shortly afterwards.

If you have any questions about the project, please contact the PSA at Grazebrookpsa@gmail.com.

Thank you, as always, for your support. 20% of every order is donated to the PSA, helping to fund equipment, trips and enrichment opportunities for all the children at Grazebrook.

Best wishes,

Ms Beecroft and Grazebrook PSA Team
